No Preservatives

Freshly pressed all natural juices are their passion! They're all handcrafted daily in small batches at their family's solar-powered cider mill in famous **Apple Hill**, surrounded by orchards and pines in the foothills of the Sierra Nevada mountains in Northern California. Their team is committed to pressing only the best fruits and vegetables in creating their tempting variety of juices and blends, each one flash pasteurized with no preservatives.

Carrot Juice

Naturally sweet carrots-that's it. Available year round. 6-1/2 gallons per case.

Flash Pasteurized

Produce Express offers a full line of all natural freshly pressed juices from Barsotti Juice Company. The Company has been family owned and operated by Gael and Joan Barsotti since 1976. The orchard and cider mill are located in the Apple Hill area, near Placerville, CA. In addition to their quality apple juice, Barsotti processes a variety of juices using apples and fresh juice concentrates as well as lemonade and carrot juice. **We are currently stocking the apple juice, carrot juice and lemonade. All other flavors require a 72 hour pre-order.**
